WHAT'S HAPPENING AT LCA?

DEAR LCA FAMILIES

We are pleased to welcome our families to the "Meet & Greet" on August 14th. Review the parent letter which tells your child's scheduled time to meet their teachers. You will receive an information packet which will include additional forms that we are required to update yearly.

Our new 20/21 school year will begin on August 17th. During the first week the teachers and the children will enjoy "getting to know you activities", that will help everyone settle into the new classroom and routines. Please, pray for us as we once again venture into uncharted territory as we provide a "Remote Learning Classroom" for our school age children. LCA is a ministry, with much prayer, we continue to seek God's will in assisting the families in our community.

Our nation is still experiencing extremely difficult times, as we are still battling the COVID-19 pandemic. Let us remember no matter where any of us happen to be...city, country, suburbs or any other place in between, we have a constant lifeline to God; this is prayer! God hears every prayer and responds according to His will and His timeframe. He will guide and direct us as to which path we should take. God will give us the courage and strength to deal with whatever challenges come our way. All we have to do is ask God and claim this in prayer. Turn everything over to Him! Our Heavenly Father love us and is waiting to hear from us.

In Prayer,
Jill Barbee
Director

Rejoice always, pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus for you.

|August 28th dress all one color

☞ Due to state regulations, masks must be worn at drop-off & pick-up.

☞ New COVID regulations include extra scheduled handwashing and temperature checks throughout the day.

Symptoms may include:

- Coughing
- Fever
- Vomiting
- Diarrhea
- Shortness of breath
- Contact with COVID
- Rash

☞ While the kitchen remains closed, please assist us by.... not using Ziplock bags in lunch boxes for ages 3 and under. ***The divided boxes and individual containers are a good solution.*** Also remember to label all items and water bottles. The state does not allow the children to have glass containers in their lunch boxes.

We remain hopeful the kitchen will open in September.
