WHAT'S HAPPENING AT LCA?

DEAR LCA FAMILIES,

The children & teachers have had a lot of fun these first few weeks as they have been getting acclimated to each other & to a new routine.

I am happy to announce that the new Remote Learning Classroom has been running smoothly with only a few little bumps along the way.

Last week Mrs. Jo (Chapel Teacher) began introducing Creation. Be sure to ask your child about Noah & the animals!

As we reflect on this unusual time in our nation, I like to remind myself that our surroundings change, technologies change and so do all of us. I am so thankful that God and His promises never change! Malachi 3:6 says, "I am the Lord, I do not change." We can all find comfort in this. As we all are confronted with the tough times and changes that we have experienced since the on-set of COVID-19 pandemic, we can find comfort & peace in knowing that God never changes.

In Prayer,
Jill Barbee
Director

While the kitchen remains closed, please assist us by.... not using Ziplock bags in lunch boxes for ages 3 and under. **The divided boxes and individual containers are a good solution.** Also, remember to label all items and water bottles. The state does not allow the children to have glass containers in their lunch boxes. **Thank you** in advance for packing healthy lunches, limiting the sugar items.

We remain hopeful the kitchen will open in October.
