## What's Happening at LCA?

I cannot believe that is already November and the holiday season is upon us. LCA staff members and families have already started getting into the season by supporting the "Samaritan's Purse" project. If you wish to help you can pick up an "Operation Christmas Child" shoebox to fill. They are located up front. Please fill with donations and return during the National Collection week, November 16-23. There is a need for boys ages 5-9 and for boys 10-14 years old. This is a wonderful opportunity to teach your child the joy of giving to others that are less fortunate.

Due to Covid restrictions the LCA Christmas program must be cancelled. I have spoken with the CDC and to our state childcare consultant, they informed us NOT to have any large gatherings at this time. Each classroom will have classroom celebrations on Friday, December 18<sup>th</sup>. This is for the children only.

In Prayer,

 Please join us this Fall in our **Operation Christmas Child Shoebox Project** to pack as many boxes as possible for children in under-developed countries who are also feeling the effects of the global pandemic. Many of these children have never received a gift, and this is a great project you can do together with your children or grandchildren.

For the next 2 weeks, you can pick up empty shoeboxes in the LCA lobby. Each box contains a label and shopping ideas. Simply decide how many boxes you want to pack, choose the gender and age of the child you want to receive the box, and start shopping. There is a suggested donation of \$9 shipping for each returned shoebox, and with new special labels, you can easily pay shipping online and track your box to its final destination. **Return all packed shoeboxes (with label affixed) to LCA office by Friday, Nov 20.**

Last year, **LCA families donated 56 shoeboxes** that went to children in refugee camps in Columbia (S. America), and to islands in the South Pacific. Thank you for your past support, and we hope you will join us again this year.
